What's New!

Watch for news of the refurbished auditorium which will soon be announced. This renovation will be a boon to area artists and those who enjoy the exhibits displayed at the library.

Exhibits During February:

Jani Prete, whose watercolors will be exhibited in the auditorium during March, has studied with Steve Jordan and Charles Sharp. She has also been inspired and encouraged by Georgia Mason. Ms. Prete's enthusiasm for watercolors stems from the freedom felt in using this medium. Jani Prete is a member of the Arts Council of Carteret County and of the Carteret County Arts and Crafts Coalition. Her watercolors are exhibited in local and seasonal shows.

Brigitte Turner is a multiple media artist whose works will also be on display in March at the Bogue Banks Branch Library. Ms Turner has studied watercolor, drawing and sketching, oil painting, and art appreciation and art history. She has had exhibitions in California, Pennsylvania, and North Carolina.

In the display cabinets will be Darlene Debardilen's original poetry, written in calligraphy, and individually framed.
