January Board of Commissioners Meeting

Public Hearing

A public hearing was held on Tuesday, January 11, prior to the regular Board of Commissioners meeting in regard to amendments to the Town's *FY 96 Land Use Plan*. The amendments would make the Land Use Plan consistent with efforts to gain public beach access. Following the public hearing the Board of Commissioners voted to amend the Land Use Plan to include the following:

Pine Knoll Shores supports the state's shoreline access policies as set forth in Chapter 15A, Subchapter 7M of the North Carolina Administrative Code. The town will conform to CAMA and other state and federal environmental regulations affecting the development of estuarine access areas. The town will prepare a shoreline access plan and seek funding as necessary for the construction of additional shoreline access facilities.

Resolution – Special Tax District/Beach Erosion

The PKS Board of Commissioners passed a resolution authorizing territory within the corporate limits of Pine Knoll Shores to be included in County Service Districts for Beach Erosion Control – District A and District B.

Notice: The Board of Commissioners has reinstated all permit fees for hurricane related damages.
