NOVEMBER BOARD OF COMMISSIONERS REGULAR MEETING AND WORK SESSION (Updated 11-15-02) • There was a public hearing on an ordinance amending beach front pruning provisions. During the regular meeting the following ordinance was approved. Section 21-3(e)(10)captioned "Landscape Permit: When Required" (d) As to beach front vegetation, such pruning shall only be permitted following application to the Town. Applications will only be considered during the months of November, December, and January. The application shall describe the extent of the pruning desired and shall be accompanied by a pruning plan from a certified professional as approved by the Tree Board which states that the pruning desired will not result in damage or death to the vegetation pruned. Each application will be considered by the Town on its individual merit and professed need for pruning. Once pruning has been approved by the Town, the pruning will be supervised by the certified professional and a Tree Board Member or the Building Inspector. For purposes of this section, beach front shall be defined as the line across the south side of an existing ocean front structure from property line to property line extending to the high water mark of the Atlantic Ocean. • Bids for the Public
