

Commemorative Cookbook

A commemorative cookbook, celebrating 300 years of good food in New Bern, is in the works and everyone is invited to send in recipes to be considered for the publication. The book will feature recipes cooked in colonial times on open hearths to today's favorites done in microwaves and

convection ovens, it will also include everything in between.

Email recipes to cookformerci@yahoo.com. Then watch for the book to go on sale mid- 2010. MERCI Clinic, a free medical and dental clinic for uninsured adults, will be the beneficiary of all book sales.
