American flags for the entrance. Morehead's Party Shop also helped by donating a helium tank for balloons to decorate the fences.

The silent auction was quite varied this year—bigger and better than ever thanks to JoAnne Shallcross and her able team, who took the reins on that project once again. Many thanks to the sponsors (individuals and businesses) who made this auction the success it was.

I was in charge of lunch at the event and want to thank all the local grocers (Lowes Foods, Harris Teeter, Food Lion and Wal-Mart) who made the luncheon possible by donating food; our local delis, who made salads for the affair (New York Deli, Garden Gate Deli and the White Swann); and Panera's and a few local neighborhood bakers, who donated cookies for dessert.

The event would not have been as well attended if not for the tireless advertising skills of Maureen Kilgallen, who handles the RAC marketing and advertising duties.

So many willing volunteers donated their time and sponsors donated either money or goods. Linda Brickhouse, who works at the reception window at town hall helped tremendously by keeping our paperwork orderly. Our first corporate sponsorship, received from Enterprise Car rental in Morehead City, started our fund with a big splash this year. We hope it's the first of many corporate sponsorships for similar events in the years to come.

At the end of the day, we all feel proud to do anything helpful for the military folk who have done so much for us!

See pictures on page 22 and 23.

Achievement

chosen as a forum scholar from a select group of top students nationally, and he will be representing his school and his community at the forum. As a participant, he will be challenged and motivated academically as he interacts with practicing medical professionals who are likewise participating in the event.

This National Leadership Forum on Medicine is an educational opportunity that provides early training and guidance for the academic and career advancement of aspiring scientific professionals. For their studies during the forum, scholars like Shane will receive college credit granted by George Mason University.

Congratulations Shane.

Library Seeking Used Books

By Dot Miller

In preparation for the annual Summer Used Book Sale sponsored by the Bogue Banks Public Library, members of the Friends of the Library board are asking that Pine Knoll Shores residents cull all those books that are simply taking up space and give them to the Friends' board for the sale scheduled for Friday and Saturday, August 13 and 14, at Shepherd of the Sea Lutheran Church, Atlantic Beach.

All categories of books will be appreciated—hardbacks, paperbacks, fiction, nonfiction, history, art, mysteries and cookbooks, to name a few. Donations of CDs, DVDs and jigsaw puzzles will also be appreciated. This really is a great chance to sort through your books and give them to a worthy cause—your public library. Proceeds from the sale will be used to keep the library open and responsive to needs during these times of restricted funds. Books may be left at the Bogue Banks Library, 9 a.m. to 5 p.m., Mondays through Saturdays.

The Used Book Sale will open to "Friends of the Library" only at 7 p.m. Friday evening, August 13. Hours for the general public are from 10 a.m. to 2 p.m. Saturday, August 14.

All residents of Bogue Banks are asked to support the library by becoming a Friend of the Library. Annual individual membership is \$10; family membership is \$15. Drop by the library for further information. Membership enrollment will also be open during the hours of the book sale.

While at the library, be sure to check out The Book Nook across from the entrance where an ever-changing selection of hardbacks is available at amazingly low prices. The Bogue Banks Library is indeed an asset to our community.
