Sally Carbrey fulfilled one of her late husband Bruce's requests, which was to return to the town the first ever Warrior Trophy which he won in the 2013 race. The Warrior Trophy is awarded to the racer with the fastest warrior time, which is calculated by subtracting one second from race time for every sponsor dollar the individual racer raises. Bruce's request was that his trophy be returned to town hall to serve as an inspiration and reminder that the needs of our wounded must be met.

A framed and matted collage featuring items from the past two years was given to outgoing coordinator, Bud Pitzer. Thanks for a job well done, Bud!

Having returned from a half-day collection cruise aboard Duke Marine Lab research vessel *Susan B. Hudson*, participants and counselors in a recent Pine Knoll Shores Aquarium camp were pleased to have collected and observed an assortment of sea life, including a butterfly stingray. A few specimens were kept for the aquarium but most, including the stingray, were released.
