Campers from Camp Albemarle in Newport enjoyed a sail across Bogue Sound to the Beacon's Reach Marina in Pine Knoll Shores in mid-July. This year only one sail across was possible because there was no wind on the day scheduled for the second sail. These lucky campers who were able to make it across enjoyed some time at the beach before heading back across the sound.—Photos by David Shapiro

A beautiful day for a sand bar party. About 25 Pine Knoll Shores and Atlantic Beach friends gathered for a fabulous array of food and good times. Standing in the water to eat steamed crabs made for easy disposal of the shells.—Photos by Sandy Hale and Jean Macheca
