Towel Mill

Tracks Being Removed

The citizens of Patrick and Henry counties have been greatly concerned about the termination of the Danville & Western Railway service from Fieldale to Stuart and had hoped that some plan could be worked out whereby the service could be continued. The latest developments are that the track and buildings are being salvaged and there will be no more train service between these points.

Robert L. Morris Passes

The Grim Reeper has again visited Fieldale and claimed as its victim Robert I. Morris. Although he had been in declining health for several years, death occurred unexpectedly Sunday morning, August 2nd. Funeral services were held from the home, Tuesday, at 4:00 o'clock, with interment following in Oakland cemetery, Martinsville. The beautiful floral offerings indicated the esteem in which he was held. His wife and several children survive.

Promotions

Corp. Doss H. Burch, Jr., has been promoted from corporal to sergeant. His father, Doss H. Burch, Sr., employed in the Knitting Department, is rightfully quite proud of the progress his son is making. All of his associates offer him their congratulations. As formerly noted, Mr. Burch, Sr., is a veteran of the first World War and would, therefore, take unusual interest in the progress his son makes in World War No. 2.

R. Taylor Ingram Training

Mrs. R. Taylor Ingram has returned from a visit with her husband, Pvt. R. Taylor Ingram, located at Camp Lee, Va. She reports that Taylor is making considerable progress in becoming acclimated to military routine. He arrived at Camp Lee on August 3 and reports that he has spent quite a busy week.

Lt. Branch K. Rives at Camp Tyson

Information has been received that Branch K Rives, formerly principal of Fieldale High School, is now first lieutenant and is located at Camp Tyson, Tenn.

Lt. Rives reports that his work is extremely interesting and that he is finding military affairs generally much to

his liking. He reports that he is associated with men from practically every state in the union, many of which are professional men. This, the association and contacts that he is making, proves one of the interesting phases of his work.

Mrs. Branch K. Rives, formerly a member of the high school faculty also, is reported to be planning to take up residence at Camp Tyson in order that she can be near her husband. Both Lieutenant and Mrs. Rives have a host of friends in Fieldale and in this community. All extend to them their greetings and very best wishes.

"Fieldale's Grand Old Man"

We all salute Fieldale's oldest citizen, Mr. Brice Stultz, Sr. Mr. Stultz claims he was the first man on the job—turning the first dirt moved in Fieldale in 1917 and has been on the payroll ever since, as teamster, superintendent of repairs and in spite of his declining years (87 years old) he still insists on working as gate-watchman regularly. His life stories are both original and unique. His vast experience on farming, business and executive work have been marvelous. We all hail Mr. Brice as the Grand Old Man of this community. There may have been older men, wealthier men, but for 100 percent confidence and efficiency "Old Man Brice" stands alone.

Barbed wire used by Uncle Sam's fighting forces is vastly different from that used on American farms. Army and Marine barbed wire is much heavier and the barbs, about three inches in length, are more vicious than ordinary barbed wire.

The Marine Corps pays fifty cents for each twelve yards, or 36 feet of this specially manufactured barbed wire. The Army and Marine Corps needs thousands upon thousands of feet for defensive warfare. Your purchase of War Bonds and Stamps will insure sufficient quantity for their needs. Invest at least ten percent of your wages in War Bonds every pay day.
