

Fieldcrest
Goes
to
War

How many of us know just what products our company makes for the use of our armed forces and government hospitals. We all know that our company manufactures sheeting, bedspreads, hosiery, towels, blankets, pillow tubing, but what else? How about duck? Cartridge cloth? Lining cloth? Overcoating?

At our New York Office, 82 Worth street, there is a very attractive and informative display of these goods. We are indebted to Mr. Hodges, our General Manager, for a set of photographs showing this display. Mr. Hodges wishes all of us to see those photos, and in order to make this pos-

sible we have mounted them on three boards and will have them at the mill gates, in charge of the watchmen.

You are going to be greatly surprised at the beauty and variety of our company's products.

These boards will be displayed on Monday and Tuesday, August 17 and 18, at Draper Mills, Leaksville Mills and Woolen Mills; on Wednesday and Thursday, August 19 and 20, at Finishing Mill, Bleachery, Central Warehouse and Rayon Mill; on Friday and Monday, August 21 and 24, at Fieldale Mills and General Office.

It will be well worth your while to see "Fieldcrest Goes to War," for it is both instructive and entertaining.

One of several displays depicting products manufactured by Marshall Field and Company to aid in the war effort.

A NATION'S BUILDERS

Not gold, but only men can make
A people great and strong—
Men who, for truth and honor's sake,
Stand fast and suffer long.
Brave men, who work while others sleep,
Who dare while others fly—
They build a nation's pillars deep
And lift them to the sky.

—Ralph Waldo Emerson.
