Among the notables who visited our Exhibit during the showing in Nantucket Building was Ex-Governor J. M. Broughton, of Raleigh, who with a party of friends, witnessed the display of Marshall Field and Company's products on Friday, May 11. Governor Broughton expressed himself as very much pleased with the exhibit.

Others who comprised the governor's party at the exhibit were State Senator J. Hampton Price, Joe Scales, Croumbie Roberts, Clairborne Young, and E. S. W. Dameron, all of whom shared the governor's view in regard to the excellence and attractiveness of the exhibit.

## Watch For Rabid Dogs

Since April 1st four rabid dogs have been killed in Leaksville township. Eighteen people are now taking the treatment. Because of the seriousness of being bitten by a rabid dog, all dogs have been placed under quarantine for 60 days.

Dr. B. M. Drake, director of the Health Department, urges that everyone heed a few simple rules and cooperate with the authorities in their effort to rid the community of this serious menace. These rules are:

(1) If you have a dog that has not been vaccinated in the past 12 months, have this done at once.

(2) If you own a dog, keep it enclosed, not tied. A tied dog is at the mercy of any rabid animal passing by.

(3) Do not pet or make advances toward any strange dog, regardless of how friendly it seems. This cannot be over emphasized.

(4) If bitten by any dog or other animal, wash the wound in soap and water at once, consult your physician or report to the Health Department for advice.

(5) If bitten on or around the face or arms, begin treatment at once, without waiting to determine whether the animal is rabid or not. If it is found to be non-rabid, the treatment may be discontinued.

(6) All dogs or other animals bitten by a dog suspected of having rabies should be killed at once.

Small Betty was all eyes at the fashionable church wedding.

"Did the lady change her mind?" she whispered to her mother.

"Why, no. What makes you think so?"

"Cause she went up the aisle with one man and came back with another."

## V-E Day Quietly Observed Here

Practically everyone gathered about radios at 9 a. m. Tuesday May 8th to hear President Truman's announcement that the war in Europe was won. For most of us it was not really news but the announcement was received with as much heartfelt joy as any that was ever announced.

Immediately after the announcement the mills and offices closed for the day and within an hour the churches all over the community were filled with humble, happy worshippers intent on giving thanks that the terrible conflict in Europe is ended.

And many a silent prayer for the safe return of loved ones was offered by parents and friends, coupled with the sincere prayer that the war with Japan will soon be over.

St. Peter and St. Thomas Aquinas were playing golf one heavenly afternoon and St. Peter's first drive was a hole in one. St. Thomas stepped to the tee and also scored a hole in one.

"All right, now," said St. Peter, "let's cut out the miracles and play golf."
