

One of his first activities was to obtain Marion Edwards as his secretary, who is a welcome addition to any department.

Pat Litaker has finally settled down to work for Willie Williams which is certainly something for Pat as she has substituted for several engineers.

Robert Bunn has been noted making week-end trips recently. What is the attraction in Norfolk, Robert?

Fred Sturtevant has been noted eating several times during the day recently. Evidently the pleasant spring atmosphere has sharpened his appetite.

Joe Arnoult reported that he had one frost-bitten finger, ear and nose.- Evidently obtained from looking out of the open side of his car.

Smiling Larry Richards has a new neophyte in his training department, Ed Michaels, a recent addition to the personnel department. (Note to Larry—Please get some new Charlie Chaplin film or Mickey Mouse film to as to relieve our thoughts during these approaching spring days.)

In conclusion it is certainly nice to know that we assist the Rayon Mill reporters. In addition to bus schedules, we also have antidotes for overeating sweets, possibly some new fudge recipes would help.

It's human to try to be great, but it's great to try to be human.

Mrs. Bertie Shelton, of the Finishing Mill, and two of her sons, Lawrence, left, and Sherman. Lawrence, after four years in service, has been discharged and is now working in Richmond. Sherman was a prisoner of war for three years and three months after the fall of the Philippines. Although he is improving, he's still in an Army hospital.

CHARTER MEMBERS OF CAROLINA COUNCIL

James W. Fulcher was born in Stokes county and came to us on December 1, 1902. Employed in Nantucket Mill. On July 26, 1937, he was transferred to Sheeting Mill as section man in the Carding department, a position he held until his death, September 19, 1945. He was a charter member of the 25-Year Club and at the time of his death held a record of approximately 43 years of continuous service.

W. C. Glasgow was born in Meclenburg county, Virginia, and his first experience in textile work was with Riverside Mill, Danville, where he worked for 12 years. Came to us March 1, 1899, and was employed at Nantucket, later transferring to Rhode Island Mill. Transferred to Blanket Mill January 1, 1940, as second hand in Dye Plant, a position he held until he retired under the Retirement Plan November 30, 1944, thus being the first Council member to be retired under the plan. Charter member of the 25-Year Club with a record of 45 years of continuous service.

William R. Gover was born in Henry county, Virginia, and came to us as a fixer in the Rhode Island Mill on October 11, 1905, where he worked until that mill was discontinued in 1930. Transferred to Rayon Mill as warp hanger; promoted to fixer in October, 1933, a position he still holds.

Where Does Your Mill Stand?
What Are YOU Doing About It?

TWO SIDES

"The inner side of every cloud
Is always bright and shining;
I, therefore, turn my clouds about,
And always wear them inside out,
To show the lining."
—Maltbie Babcock.

After serving for three years in the Army Air Forces Pfc. Samuel P. Hilton has returned home with an honorable discharge. Pfc. Hilton's friends are very glad to see him back.
