Two Moos Make An Ism

- Idealism:** If you have two cows you milk both of them, use all the milk you need and have enough left over for everyone else.
- Socialism:** If you have two cows, you give both to the Government; then the Government gives you back some milk.
- Communism:** IF YOU HAVE TWO COWS, you're a capitalist.
- Capitalism:** If you have two cows, you sell one cow and buy a bull.
- New Dealism:** If you have two cows, the Government shoots one cow; you milk the other cow; then throw part of the milk down the sink.
