*But they that wait upon the Lord
shall renew their strength; they shall
mount up with wings as eagles; they
shall run, and not be weary; and they
shall walk, and not be faint.*

—ISAIAH 40:31

TEN CANNOTS

- You cannot establish security on borrowed money.
- You cannot help small men by destroying big men.
- You cannot help the poor man by destroying the rich.
- You cannot strengthen the weak by weakening the strong.
- You cannot bring about prosperity by discouraging thrift.
- You cannot lift the wage earner by pulling down the wage payer.
- You cannot keep out of trouble by spending more than your income.
- You cannot further the brotherhood of man by inciting class hatred.
- You cannot build character and courage by taking away man's initiative and independence.
- You cannot help men permanently by doing for them what they could and should do for themselves.

—Abraham Lincoln.

Letters From Servicemen

Dear Editor:

During my week-end off, I thought I would write to you and let you know that I am out here in California at Edwards Air Force Base. I am doing fine and liking the Air Force fine. I've been in for seven months, but I wish I was back in your mill as an employee. I will be in service about three more years.

SUNSHINE BOYS QUARTET

MOTION PICTURE, TELEVISION, RADIO, STAGE & RECORDS

25-Year Club To Hear Nation's Top Quartet

Members of the Fieldcrest Mills 25-Year Club will hear the nation's top gospel singing group when the Sunshine Boys Quartet appears at the 25-Year Club picnic at Morehead Stadium Saturday afternoon, September 25. Organized professionally in Atlanta, over 15 years ago, the quartet has retained its same personnel longer than any other professional group in this field. The Sunshine Boys have been recognized nationally as the finest radio, stage, television, motion picture, and concert spiritual group in the country.

Appears In Movies

The quartet has been active in 17 full-length Columbia motion pictures and featured on 600 radio stations throughout the U.S., its possessions, and several foreign countries. As Decca, Bibleton, and Lang-Worth recording artists, the Sunshine Boys and Red Foley recorded the top-selling gospel record of 1953, "Peace In The Valley."

The quartet appeared to over 1,000,000 people in concert during the past three years and was the first quartet

in the South to appear on TV. They are featured over WSB, AM-FM, and TV in Atlanta, Georgia, under sponsorship of Brown & Williamson Tobacco Company.

The Sunshine Boys Quartet will provide the entertainment for this year's 25-Year club picnic. They will also give a public performance in the evening of the same day. Members of the 25-Year Club will be admitted free to the public performance to be given in the Leaksville-Spray junior high school auditorium under sponsorship of the Draper Y's Men's Club.
