

Winning Tennis Titles Nothing New To Sam Daniel

Sam Daniel holds one of 300-odd tennis trophies he's won.

A. C. (Sam) Daniel, assistant purchasing agent for new materials at Fieldcrest, won his second straight men's singles title in the North Carolina Senior Closed tennis championship at Greensboro Country Club September 2. He defeated Greensboro's Ed Hudgins in the finals to retain his title as the North Carolina champion.

Mr. Daniel, who came with Fieldcrest in February of this year, held the South Carolina singles championship for 14 years. He was transferred to North Carolina in 1955 and became the North Carolina champion for that year. He is the sixth ranking southern player and has won various tournaments in states throughout the South.

All in all, he has won over 300 trophies. At his home on Glovenia street in Leaksville the silver pieces are all over the house. He seems to pay little attention to the trophies except to wonder where to put so many of them.

Although it is obvious that he keeps in practice, this too presents a problem due to the lack of tennis facilities in the Tri-Cities. He works this out by playing at the Greensboro Country Club on week-ends.

Mr. Daniel is a native of Columbia, S. C., and a graduate of the University of South Carolina. He was with Pacific Mills in its cotton classing department for 15 years before he joined Fieldcrest.

Employees Store Installs New Fixtures

Serve-yourself racks have been installed at the Employees Store for better display of the merchandise and greater convenience for the customer. Four such racks are now in place and three additional ones are to be put into use later.

The handsome fixtures are in charcoal and gold, harmonizing with the label on the packaged products. The new racks are in addition to the attractive pegboards installed recently to display the products in the lobby of the store.

At right, clerks Vivian Johnson and Johnnie Buckner look over a display of products they have arranged on one of the new fixtures.
