

Members of the Fieldcrest Team

Mrs. Virginia Williams has one of the longest records of service of any woman at the Towel Mill. She has never been off the payroll since she joined the Company in 1920. A native of Critz, in Patrick County, Va., and a graduate of National Business College, Roanoke, Va., she became secretary to J. Frank Wilson, an early manager of the Towel Mill.

She was secretary to the mill manager for several years and has served efficiently and faithfully in other responsibilities in the Towel Mill office. At present she handles orders and shipping instructions for one of the mill's largest customers.

Mrs. Williams has been active in the Fieldale Mutual Aid Association for a long time. She was treasurer for several years and now is a member of the Board of Directors. She is one of the best known and most widely respected persons at the Towel Mill and in the Fieldale community.

Her husband, E. L. Williams, recently took early retirement from the Towel Mill under the Fieldcrest Pension Plan. Mr. and Mrs. Williams own and operate the Sycamore Inn at Fieldale and own a farm near Critz, where they frequently spend week-ends and holidays.

John W. (Jack) Wyatt is a ring spinning fixer at the Blanket Mill. Friends say he "grew up" in the spinning room, where he first worked in 1915 and where he has continuous service since 1933. He has worked as a doffer, roving hand, oiler, and as a fixer for the past several years.

Those who have known him a long time say that he stays on the job closely and does his best to keep his frames operating efficiently so that good-quality yarn is made and maximum production is delivered from every spindle. Friends also say that he is known for his cheerful, cooperative attitude and his ability to get along with other people in the mill.

Mr. Wyatt was born near Axton, Virginia but has lived at Draper since he was a small boy. He is married to the former Miss Leona Lay who formerly worked at Draper mills and was a reporter for The Mill Whistle. They have a daughter, Mildred Ann, 12 years old. They own their home at 226 S. Fieldcrest Road. Both Mr. and Mrs. Wyatt are active members of Draper's First Methodist Church. He is a member of the official board and she is a teacher in the Sunday School.
