Rug Loom 58 Receives Housekeeping Award

John H. DeHart, Homer Fain, and Bud Roberts, weavers on Loom 58, won the Karastan Weave Room Housekeeping Award for the month of April.

In recognition of their outstanding housekeeping, an attractive certificate has been placed on Loom 58 and will remain up throughout the month of May.

A certificate is awarded each month to weavers on the loom which has the highest total points in four housekeeping inspections made by the supervisors.

A housekeeping "scoreboard" in the Weave Room shows the points given on the various looms as each inspection is completed.

By referring to this board the weavers can tell at all times how they stand in their housekeeping performance.

18 Blanket Weavers On Quality Honor List

Several Operators Continuing Their Outstanding Records; Newcomers Are Listed

A total of 18 weavers appear on the Blanket Mill's quality honor list for the six months ending April 30. Included are 11 plain or dobby weavers and seven in the jacquard classification.

New names added to the list for the latest period include Carrie A. Holland and John R. McGavisk, plain or dobby, and Cicero D. Underwood, jacquard.

The listing of the quality weavers is part of a program at the Blanket Mill designed to emphasize the importance of quality weaving and to give recognition for outstanding records.

In order to make the quality honor list, a weaver must work for six months without a major quality defect.

When a weaver on the list has a major quality defect, his name is dropped. Other weavers are added as they attain six months of quality work.

Quality weavers for the six months ending April 30 are shown below.

College Grads' Pictures Wanted

It is not necessary that the graduate be wearing a cap and gown. If the parents do not have a photograph, the graduate can usually obtain one from the studio that made his or her picture for the college annual.

If there are any employees' daughters to graduate from hospital nursing school we, of course, wish to include them, too.
