

Fieldale Gives \$2,172 To Cancer Fund

Floyd Bryant (second from left) presents Fieldale Community Fund check to Dwight Dillon, for Cancer Crusade. Looking on, from left, are James Witt, Charles Grindstaff, and James Campbell.

A donation of \$2,172.13 from the Fieldale Community Fund last week put the 1961 Cancer Crusade in Martinsville and Henry County over the top, bringing contributions to date to \$10,692.10.

In an informal ceremony at the Towel Mill, Floyd Bryant of the Weave Room presented the Community Fund check to Dwight Dillon of Martinsville, chairman of the Trade and Industry Committee of the Cancer Crusade.

Also representing the Fieldale Community Fund Committee at the presentation were the following Towel Mill employees: James Witt, Weave Room; Charles Grindstaff, Cloth Room; and James Campbell, Weave Room.

Earlier donations by the Fieldale

Community Fund were made to the Martinsville-Henry County Heart Fund, the Martinsville-Henry County chapter of the National Polio Foundation, and to the R. J. Reynolds-Patrick County Memorial Hospital at Stuart, Virginia. An allocation is to be made later to the Martinsville-Henry County United Fund.

The Towel Mill conducts one solicitation each year at which time an employee may pledge a single contribution to be paid in small installments through payroll deductions over a 12-month period.

The fund that is raised is administered by a committee composed of representatives from all departments in the Towel Mill.

Three Rug Looms Win Housekeeping Awards

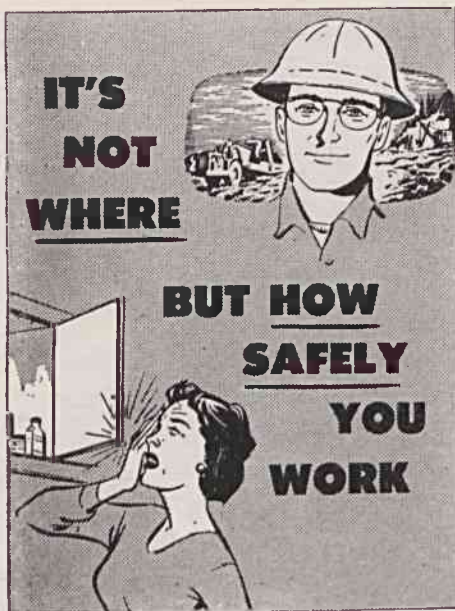

Looms 51, 58, and 70, with 99 points each, tied for the Karastan Weave Room Housekeeping Award for May.

Weavers on the looms are: Loom 51—George Thompson, Joe Haynes and Clarence Odell; Loom 58—Bud Roberts, Homer Fain and John H. Dehart; Loom 70—James Franklin and Homer Marshall.

An attractive certificate has been placed on each of the looms in recognition of the outstanding housekeeping and will remain on the looms throughout the month of June.

The Karastan Mill awards a certificate each month to weavers on the loom which has the highest total points in four housekeeping inspections made by the supervisors.

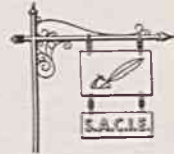

As each inspection is completed, the points are recorded on a large housekeeping "scoreboard" in the Weave Room which gives a running record of the housekeeping on each loom.

Look out for yourself: make it a point to practice safety everywhere — all the time.

A problem child was becoming well-acquainted with the principal's office. One day the principal showed her annoyance. "This makes the fifth time I have punished you this week. What have you to say for yourself?"
Problem child: "I'm glad it's Friday."
