

Employees' Children Receive College Degrees

Pictures here show new college graduates from Fieldcrest-connected families. Although there were other sons and daughters of Fieldcrest employees who graduated from colleges or universities early in June, those shown are the only ones for whom photographs had been received.

Jane I. Garrett graduated from Woman's College, University of North Carolina, with an A.B. degree in Education. She is a daughter of Mr. and Mrs. Reuben H. Garrett, of Draper. Her father is head of the Draper Standards Department.

Robert Warren Stephens received his B. S. degree in Business Administration from Davidson College. He is the son of Mr. and Mrs. Robert L. Stephens, of Leaksville. His mother (Mary) is an order and invoice clerk at the Karastan Service Center in Spray.

Joan Overby Hall received her A. B. degree in Biology from Woman's College. She is the wife of Roger Hall, of the Winding Department at the Bedspread Mill and a daughter of Mr. and Mrs. John H. Overby, of Spray. Her father is a shearing machine operator in the Inspecting Department at the Bedspread Mill.

Top Weavers, Fixers Given Recognition

Top quality weavers and loomfixers at the Towel Mill are listed below for the most recent periods of record.

The "Weavers of the Week" are those with the lowest percentage of seconds with respect to the standards for the various loom groups.

The "top" loomfixers are determined through a combination of low seconds and high loom efficiency on the sections for which they are responsible.
