

Two Are Appointed Trainees At Greenville

C. A. DAVIS, JR.

Two new employees, Charles A. Davis, Jr., and Thomas R. Smithwick, have been appointed trainees at the Karastan Spinning Division and are engaged in training assignments at Greenville.

Mr. Davis worked on production jobs in various Fieldcrest plants in the Tri-Cities during the summers while attending North Carolina State College where he majored in textiles. He is a

native of Leaksville and is married to the former Fay Simpson of Spray. They have a year-old son.

Mr. Smithwick was a standards engineer at the Automatic Blanket Plant in Smithfield before his transfer to Greenville. He is a native of Windsor and is married to the former Sara Lancaster, also of Windsor. They have three children.

Towel Mill Names Top Weavers And Fixers

The Towel Mill's top quality weavers and loomfixers are listed below for the most recent periods of record.

To encourage quality and efficiency in the weave room, the Towel Mill each week gives recognition to the weavers and fixers with the most outstanding records. Names of the lead-

ing operators are posted on the weave room bulletin board and are published in The Mill Whistle.

The "Weavers of the Week" are those with the lowest percentage of seconds with respect to the standards for the various loom groups.

The top fixers are determined through a combination of low seconds and high loom efficiency on the sections for which they are responsible.
