## 105 Fieldcresters Are Blood Donors

Fieldcrest employees gave 105 pints out of the total of 172 pints of blood donated when the Bloodmobile was stationed at the Moose Lodge in Leaksville Friday, January 29. The blood donors included employees from several different mills and the General Offices.

The Bedsread and Karastan Mills, which were competing for highest percentage of donors, both had excellent turnouts. At the Karastan Mill and Service Center, 54, or 6.2 per cent of the employees gave blood. Donors from the Bedsread Mill numbered 24, or 5.0 per cent of the employees.

In the drawing for the prize among the Karastan blood donors, William J. Garrett, of the Finishing Department, was awarded an Amarapura (3 x 5) Karastan rug. Representative employees conducting the drawing Thursday, February 4, were Cecil Hundley, Weave Room; J. W. Jones, Finishing Department; and Douglas Hankins, Office.

As on past visits of the Bloodmobile to Leaksville, the Karastan Mill furnished volunteer workers who were hostesses or served in the canteen. Those assisting were Elsie Carter, Setting Department; Lucille Carter, Setting; Nellie

## Committee To Accept Scholarship Requests

The Fieldcrest Scholarship Committee and the Muscogee Scholarship Committee February 15 will begin accepting applications for scholarships given to assist employees or children of employees of Fieldcrest Mills, Inc., in obtaining a college education.

An application form may be secured from the industrial relations representatives or personnel offices at the mills; by calling at the Employment Office of Fieldcrest Mills, Inc., in the General Offices building in Spray; or by writing to Dr. William McGehee, director of personnel research and training, Fieldcrest Mills, Inc., Spray.

The scholarship program covers all locations of Fieldcrest Mills. Except at Muscogee, the scholarships are provided by the Fieldcrest Foundation.

Scholarships granted to Muscogee employees or their children are from the Muscogee Mills Foundation, set up by the former owners of Muscogee Mills.

The foundation has the same general purposes as the Fieldcrest Foundation and is being continued by Fieldcrest Mills, Inc.

Individuals who wish to be considered for the scholarships must submit an application in writing prior to April 1, 1965, to the Scholarship Committee. Awards of the scholarships will be announced by June 1, 1965.

Both the Fieldcrest and Muscogee Scholarships are now worth \$2,400 each over a period of four years at the rate of \$600 for each of the four years of college attendance. Scholarships are awarded each year, but it is expected that once a student is awarded a scholarship in his freshman year the scholarship will be renewed for three successive years provided the student maintains a satisfactory academic record.

Recipients are chosen on the basis of their academic aptitude, good citizenship
