ROBERT H. W. SHORTER

Appointments Announced At Towel Mill

The following organization changes have been announced at the Towel Mill, Fieldale, Va.:

George L. Caraway, Jr., supervisor of mill accounting, was appointed assistant superintendent of Warehousing and Shipping; Ted L. Spencer, cost ac-

countant, was named supervisor of mill accounting, replacing Mr. Caraway; and Robert H. W. Shorter, IBM operator, was named supervisor of machine accounting in the Towel Mill Data Processing Dept.

Mr. Caraway is a native of Montana

but grew up in Mount Airy. He studied business administration after his graduation from high school and is a graduate of the International Accounting Society, Chicago. He was secretary-treasurer of John Dunn's Inc., in Winston-Salem immediately prior to joining Fieldcrest in 1955. He worked as a cost accountant at the Leaksville mills for a few months before being transferred to the Towel Mill as supervisor of mill accounting.

Mr. Spencer was born in Stokes County, N. C. and attended High Point College where he received his B. S. degree in business administration in 1959. He was a cost accountant with Western Electric Co., in Greensboro, before joining Fieldcrest in 1963. He was a cost accountant with the Leaksville Cost Dept. before his transfer to the Towel Mill in June, 1965.

Mr. Shorter is a native of Draper and a graduate of Morehead High School. He served for four years in the Air Force where he attended the Accounting and Finance School and served as an accounting specialist. He has been employed in the Towel Mill Data Processing Department as an IBM operator since June of 1964.
