

Fieldale Community Fund check for \$3,722.78 is presented to Heart Fund chairman.

## Fieldale Makes Donation To Heart Fund

In an informal ceremony attended by Towel Mill employees representing the Fieldale Community Fund, a check for \$3,722.78 was presented to Joseph R. Pace, chairman of the Martinsville-Henry County Heart Fund.

Shown above as the presentation was made are left to right, seated, John West, chairman of the Community Fund Committee; D. A. Purcell, Towel Mill manager; and Mr. Pace. Standing are Troy Hopkins, Jannett Patterson, Ramona Nichols and W. M. Flannagan, representing their departments at the Towel Mill.

The Fieldale Community Fund earlier made a donation to the Martinsville-Henry County March of Dimes. Allocations are to be made to the United Fund, Cancer Crusade, Cerebral Palsy

and other deserving agencies serving the area.

Under the Fieldale plan only one solicitation is made in the Towel Mill each year. At that time an employee may pledge a single contribution to be paid in small installments through payroll deductions.

The money raised is used for the Community Fund and other authorized fund drives. The funds are administered by a committee composed of representatives from each department in the mill.

In addition to those members shown above, the 1966 committee includes Sam Harris, Lester Harris, Mary Lou Allen, James B. Dalton, James Taylor, Roy Quesenberry, Clyde Brown, Doris Steagall, Glennie Hall, and Kathleen Gusler.
