Four Get Awards For 40 Years' Service

Four employees, in four different mills or units, have completed 40 years of continuous service with the company. Receiving awards for 40-year records were Payton E. Jeffries, Central Filter Plant; Madeline Oakley, Bedsread Mill; Thomas A. Brame, Finishing Mill; and Leonard H. Earles, Bleachery.

In informal ceremonies on their anniversary dates, each of the veteran employees was presented the Fieldcrest diamond-and-gold 40-year emblem and a letter of commendation from Harold W. Whitcomb, chairman of the board, Fieldcrest Mills, Inc.

Mr. Jeffries, a native of Eden, was first employed in the Nantucket Spinning Department January 30, 1928. He then worked briefly as a weaver learner at the Homecrest Mill but returned to the Nantucket Mill as a winder. In 1930, he became a warper at the old Silk Mill and in 1940 was promoted to assistant foreman of the Warping De-

partment. He became assistant foreman of the Winding Department at the Rayon Mill in 1946 and continued in that position until the Synthetic Fabrics Mill was closed in 1957. He has since worked at the Central Filter Plant where he is a filter operator.

Miss Oakley, born in Henry County, Va., has continuous service of 40 years also starting January 30, 1928 at the Nantucket Mill, where she worked as a winder and as a spooler. She worked at the old Silk Mill as a rewinder and in the Blanket Cutting and Sewing Department at the Finishing Mill before being transferred to the Bedsread Mill Weave Room in June, 1942. She has worked as a battery filler or magazine filler since that time and continues to work as a magazine filler.

Mr. Brame, a native of Eden, was
