

Seeing At Shows This Week

What is more washable than a towel? A wisp
affle-weave pique and Fieldcrest's new
"Perfection" towel make up this yoked and yellow
dress, showing what little girls' dresses are
made of.

School days duo from "Now Stripe"
sheet and "Lustre" towel. Shift made
from "Perfection" permanent-press
sheet rates A plus in wash and wear
ability as well as in fashion.

Here, Andrew Woods creates an at-home ex-
travaganza. Made from Fieldcrest's "New Eng-
land Beauty" bedspread . . . twinkled with
rhinestones, and cut for comfort, it's fashion-
perfect for party or patio.

"Pow Flowers" make wow fashions! Field-
crest's "Pow Flowers" blossom on a shifty
mini for after-swim sop-ups. With sun-
bleached bikini and newsy cut-out cover-up, the
look is obviously bared for the dramatic!

Made from velvety "Daisy Chain" towels,
three-part sun set will take to the beach with
the same ease you do. The absorbent terry tex-
ture is guaranteed to keep its cool through
sun, surf or soapsuds!

Fun hostess pajamas with gingham
checks set off by sparkling rhinestones.
Vogue pattern No. 7048 and two twin
size "Now Group" gingham sheets are
all that's needed.
