

# Averett Girls Tour Karastan Rug Mill

A group of seniors who are majoring in merchandising at Averett College, Danville, Va., were recent visitors at the Karastan Rug Mill.

They toured the mill to see the manufacturing operations and spent much time in the Designing Department where they asked many questions and took notes for classroom discussion.

They also were much interested in the product display in the Karastan show-room.

In the picture above, the visitors watch with interest as Catherine Berry paints a rug design. In the picture below, Jerry Jones, of the Designing department, describes some of the operations.
