

**BOBBY R. BROOKS**

**RUSSELL R. TURNER**

**RUSSELL D. CHERRY**

## Canteen Department Changes Announced

Organization changes in the Canteen Department, which became effective June 9, have been announced as follows:

Bobby R. Brooks was promoted to regional canteen manager with responsibility for the operations in Eden and Stokesdale.

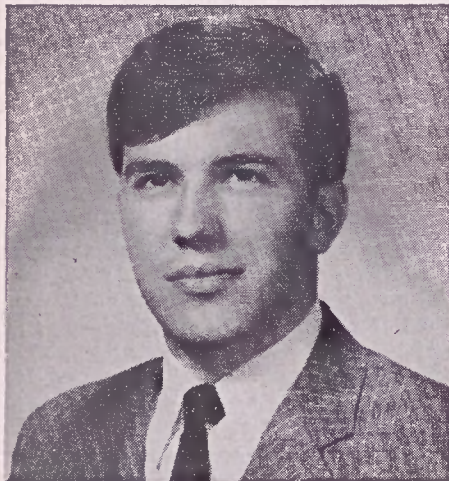

Russell R. Turner was promoted to regional canteen manager with respon-

sibility for all locations other than Eden and Stokesdale.

Russell D. Cherry, formerly an accountant in the Payroll Department, was transferred to the Canteen Department and named office manager.

Messrs. Brooks, Turner and Cherry report to Roger L. Wilkes, manager of employee benefits and services for Fieldcrest Mills.

## James Going Awarded Two-Year Fellowship

**James Hodnett Going** has been awarded a two-year fellowship for graduate study at the Institute of Textile Technology at Charlottesville, Va. He is the son of Mr. and Mrs. Ralph C. Going of Eden; his father is superintendent of the Sheeting Mill.

Mr. Going graduated from N. C. State University this year with a B.S. degree in textiles. He will enter ITT in September to begin the two-year course leading to an M.S. degree.

The fellowship includes payment of all tuition and fees and provides \$3,600 for living expenses during the nine-month academic period. Mr. Going was one of 10 students awarded this fellowship.

## Campus Scholarship Presented To Mattox

**Barry Gray Mattox** of Clemson University, received the first of the newly-established Fieldcrest Foundation Scholarships.

Fieldcrest Mills, Inc. recently announced the new campus scholarship program at Clemson, North Carolina State University and the Georgia Institute of Technology beginning with the 1969-70 academic year. The scholarships are worth \$1,000 per year for both junior and senior years.

The scholarships are awarded on the basis of interest in a textile industry career, academic achievement, citizenship, campus activities and financial need. The scholarships also carry an opportunity for summer employment with Fieldcrest.

Mr. Mattox is employed for this summer in the Mechanical Development Department as a summer management intern. He begins his junior year at Clemson in September, majoring in electrical engineering.

This coming academic year there will be one student at each of the three schools participating in the program. Beginning next year, there will be two students on each campus with a scholarship—a junior and a senior.
