

Bailey Promoted To New Post At Worthville

Billy D. Bailey, a shift foreman in the Bedsread Mill Carding and Spinning Departments, was appointed general

foreman at the Worthville Spinning Mill, Worthville, effective March 20.

He previously was a shift foreman in the Yarn Preparation Department at the Bedsread Mill and a shift foreman in the Carding and Spinning Departments at the Fieldale Towel Mill Fieldale, Va.

A native of West Virginia, Mr. Bailey was first employed in the Carding Department at Fieldale in 1961, just after his return from four years in the Marine Corps.

He worked on various jobs in the Carding Department and in 1963 became an overhauler helper. He soon was promoted to fixer and card grinder and in 1965 he became a maintenance second hand in the Spinning Department.

Mr. Bailey completed the Fieldcrest supervisory training program during August 1966 and was named a shift foreman in the Carding and Spinning Departments. He left the Company late in 1967 but returned a few months later as a shift foreman at the Bedsread Mill.

Dr. Springer Will Head Industrial Physicians

(Continued from Page One)

the work place, and more and more emphasis is being placed on the prevention of diseases and the elimination of health hazards.

Since he joined Fieldcrest in 1968, Dr. Springer has been involved in two major occupational health efforts: the Company's hearing conservation program and Fieldcrest's program aimed at the prevention of ill effects from cotton dust.

Dr. Springer is currently serving on the Health and Safety Committee of the American Textile Manufacturers Institute.

He is a member of the State Medical Society committee on occupational health and a member of the Rockingham County Board of Health.

He is a national delegate from the Carolinas to the IMA, a board member of the Carolina Industrial Nurses Association and is listed by the National

Safety Council as a certified instructor for audiometric technicians.

Immediately before joining Fieldcrest Mills in 1968 Dr. Springer was medical director of the Employee Health Service of the New York Civil Service Department. Prior to that he was medical director of the Chrysler Motor Corporation's Jefferson Assembly plant in Detroit, Mich. He earlier was in general practice for 10 years at Lakeview and Bellefontaine, Ohio.

Dr. Springer received his premedical education at Miami University, Oxford, Ohio. He received his M.D. degree from the University of Cincinnati and completed a one-year internship at St. Elizabeth Hospital, Dayton, Ohio.

A native of South Dakota, he was a Navy medical corpsman in World War II. He served as a flight surgeon in the Air Force 1953-54, and graduated from the USAF school of Aviation Medicine at San Antonio, Texas.

Employee Rug Sales Will Be Resumed

(Continued from Page One)

zation form No. FCO-13 signed by their immediate supervisor. Retired employees will need to have the form signed by the personnel manager at the location where they last worked.

The approved form will be presented to the cash sales supervisor at the AMP Building. When the order has been processed the cash sales supervisor will notify the employee to pick up his merchandise at the Karastan Service Center.

Orders may be picked up only on Tuesdays and Thursdays and only between the hours of 9 a.m. and noon and 2 p.m. to 5 p.m.

The employee will contact the Cash Sales Cashier at the Service Center and pay for the rugs or carpet. He will be given a receipted copy of the invoice with an additional copy to be handed to the gate guard.

The guard will not allow employees to pick up rugs or carpet at the Service Center unless he receives this form.

The above procedure is to be followed in Eden. At Laurel Hill the procedure will be the same except that employees will submit the approved authorization form to the cash sales clerk at the Laurelcrest Service Center and will pick up the merchandise there.

At locations other than Eden or Laurel Hill, employees should submit the approved authorization form to their personnel manager who will place the order for them.

Employees outside of Eden and Laurel Hill, upon receiving notification that their order is ready, will make payment to their designated cash sales representative. This representative will then notify the applicable Service Center to make the shipment.

Rugs and carpet to be shipped from Eden to outside locations will go by Fieldcrest truck wherever possible. Otherwise, common carriers will be used and the freight charges added.

All shipments from the Laurelcrest Service Center will be by common carrier and the charges added to the invoice.
