Fieldale Makes Donation To March Of Dimes

The Fieldale Community Fund has made a contribution of \$1,200 to the March of Dimes fund campaign. The check was presented to J. R. Joyce, Jr., chairman of the Martinsville-Henry County chapter of the March of Dimes, by Betty Jones, of the Cloth Room, and Steve Perkins, of the Shipping Department, representing the Fieldale Community Fund Committee.

It was the fund's second allocation of the budget year, an earlier contribution having been made to the Martinsville-Henry County Heart Fund.

The Fieldale Community Fund will later make allocations to the Martins-

ville-Henry County United Fund, to the Cancer Crusade, Fieldale Fire Department, Fieldale Rescue Squad, Crippled Children's Ward at Roanoke Hospital and other agencies and services benefiting the people of the Fieldale area.

Under the Fieldale plan only one solicitation is made in the Fieldale Towel Mill each year.

The money raised in the campaign is used for the Fieldale Community Fund and other authorized fund drives.

The funds are administered by a committee composed of representatives from the various departments of the Towel Mill.

Morehead Students Make Tour Of Karastan

Some of the Morehead High School students who toured the Karastan Rug Mill April 26 are shown above in the Weave Room. At right are Buddy Bowers, a Distributive Education teacher at Morehead, and Tommy Amburn, of the Production Control Department, who was the guide for this particular group. Approximately 80 Distributive Edu-

cation and Industrial Cooperative Training students made the tour as part of the observance of National Textiles Week in Eden.

The visit to the mill followed an assembly program concerning Fieldcrest attended by the Morehead student body and the ninth-graders from Holmes Junior High School.
