

Business Courses Are Offered By RCC For Summer Quarter

The Business Department of the Community College has made tentative plans for giving courses in the summer quarter to Fieldcrest employees and other Eden residents.

A course in Business Communications (English III) will be offered on Monday nights, a course in Business Law (Business 115) on Wednesday nights. Both courses will be given in the Fieldcrest Training Department in the Amp Building.

Courses being given this

quarter in the Amp Building are Grammar and Composition (English 110) and Techniques for Today's Secretary.

For those enrollees who are seeking an Associate of Arts Degree in Secretarial Science, English 110 is a prerequisite for English 111. For qualified enrollees who are not seeking credits toward the degree, the prerequisite may be waived; admission to English 111 in this case will be by permission of the instructor.

There is no prerequisite for the course in Business Law.

Under the guidance of the Board of Advisors, the Outstanding Teenagers of America program was created to encourage young people to take full advantage of the opportunities in this country. The awards are presented each spring, and biographies of all those honored are recorded in the annual volume, "Outstanding Teenagers of America."

In addition to being selected as Outstanding Teenagers, Cathy and Michael were also elected to the Society of Outstanding American High School Students, which is the nation's leading high school honorary society.

Both students have been very active in school activities. Cathy, a senior, is on the student council, the president's cabinet (co-chairman of the committee on buildings and grounds), a member of the Beta Club, presi-

Cathy is the daughter of Mr. and Mrs. Ernest Moore of Eden, N.C. Her father is employed as a Weaver supervisor at the Alexander Sheet Mill.

Michael has been a very active band member from elementary school through high school. He is also involved in many other activities. Also a senior, he is president of the band, a member of the All-American band, a solo contest winner and a state band member. He is also a member of the Beta Club, Monogram Club, and of the Key Club, a member of the golf team and a Major Scholarship nominee. He was voted the "Most Talented" member of the class.
