Pictures Of College Graduates Wanted

The Mill Whistle will publish pictures of employees' sons and daughters, in all of the company's divisions, who will graduate from a college or university early in June.

The parents should fill in the coupon below and send it with a photograph of the graduate to The Mill Whistle, Fieldcrest Mills, Eden, N. C., or they may hand the material to one of the plant reporters for The Mill Whistle.

It is not necessary that the graduate be wearing a cap and gown. If the parents do not have a photograph, the graduate can usually obtain one from the studio that made his or her picture for the college annual.

If there are any employees' daughters to graduate from hospital nursing schools we, of course, wish to include them, too.
