## Samples Of Fall '74 Lines Are Now Arriving At Rug Showroom

Samples of the fall '74 lines in rugs and carpets have begun arriving at the Employee Cash Sales Rug Showroom at the AMP Building, according to Harold Mabe, cash sales supervisor. Samples of the complete fall line should be available soon, Mr. Mabe said.

Employees may visit the display room, make their selections and be advised by the cash sales supervisor if the merchandise is available. First quality goods may be purchased by employees at mill list price. Also available are off-quality goods and remnants, which are sold on a first-come, first-served basis at less than mill price.

The display room is open from 1 p.m. until 5 p.m. Monday through Friday.

Sales are on a cash basis and must be for the employee's personal use. "Personal use" means use by the employee himself, his parents, parents-in-law, or the employee's children, including stepchildren.

Purchases may be limited by the mill because dealers have first priority on all goods.

In order to purchase rugs or carpet, active employees must obtain an authorization form No. FCO-13 signed by their immediate supervisor. Retired employees will need to have the form signed by the personnel manager at the location where they had worked.

The rugs and carpets are to be picked up at the Karastan Service Center on Tuesdays and Fridays from 9 a.m. until 1 p.m. and from 2 p.m. until 4:45 p.m. Payment must be made at the Service Center before the merchandise may be picked up.

Employees in outlying areas may choose rugs and carpets from swatches obtained from the area personnel manager. Employees may pick up merchandise from Service Center if they so choose. However, should they desire to have it shipped, they must pay commercial rates.
