

Frank Cox shows where accident happened.

Saved From Foot Injury

Another Fieldcrest employee was recently saved from serious foot injury by wearing safety shoes.

Frank Cox, a warp hanger in the Weave Room at the Draper Sheeting Mill, was removing a 270-pound loom beam from a loom on July 16, when the beam

slipped and fell on his foot.

Due to the fact that Mr. Cox was wearing safety shoes at the time, his foot was not injured.

Mr. Cox has been nominated for membership in the Golden Shoe Club, a national organization made up of people who have escaped foot injury by wearing safety shoes.

UF Drive Will Open Oct. 7

T. P. WEBSTER, JR.

(Continued from Page One)

throughout the week of October 7.

The gifts by Fieldcrest employees and the company are again expected to be an important factor in insuring the success of the overall campaign.

Fieldcresters, along with employees of other firms in Eden, will be asked to pledge on the "Fair Share" basis.

For the convenience of employees and upon their authorization, the company will make payroll deductions over a 12-month period to collect the pledges.

Payroll deductions authorized by employees will not begin until the first pay period in January, 1975. If an employee has no work during a particular week, he will

not be required to make up the missed deduction.

Employees who are signed up for the Eden United Fund deductions on a continuing basis, of course, will not be solicited in the campaign.

To reduce the work involved in an annual campaign, employees in recent years have been asked to make pledges on a continuing basis and large numbers of employees are signed up under this arrangement. The United Fund agencies and the amount allocated to each are:

Girl Scouts, \$4,515; Carolinas United, \$8,123.39; Red Cross, \$11,760.39; Boys Club, \$27,000; Boy Scouts, \$16,240; YMCA, \$57,000; Tri-City Rescue Squad, \$6,500; Retarded Children, \$3,000; Salvation Army, \$7,700; 4-H Club, \$1,100; Child Development Center, \$4,000; and contingencies, \$18,061.22.

The amount for contingencies is to be used to fulfill pledges for those who, due to moving away, illness or other such circumstances, are unable to pay their pledges. The fund is also used to meet emergency needs which may arise during the year.
