Organization Changes Announced

(Continued From Page Three)
manager in February, 1975.
Mr. Jeffries joined Fieldcrest
in 1955. He worked as a member
of the Industrial Engineering

Department for 18 years in the
Blanket, Sheeting and
Bedspread Finishing Mills, the
Foremost Screen Print Plant,
Automatic Blanket Plant and at

the Scottsboro Rug Mill. He had
also done industrial engineering
work at all four domestic
service centers before being
named assistant manager of the
Northeast Service Center in
1973. He was transferred to the

Los Angeles Service Center in
1974 and was named manager of
that facility in February of this
year.

A native of Eden, Mr. Jeffries
is the son of Mr. and Mrs. Tom
Jeffries of Route 1, Eden.

Can Do!

"One of the great advantages
of being new in a company
is that you are thoroughly
aware of what cannot be done."
Peter G. Peterson
