

177 Employees Receive First Aid Training

A total of 177 Fieldcrest employees have completed the Red Cross Multi-Media first aid training during 1975.

The course, which is approved by the Occupational Safety and Health Act, is offered at all Fieldcrest locations on a regular basis in order to insure that each location has the required number of qualified first aid attendants to meet OSHA standards.

Gloria Hilton, R.N., of the Fieldcrest Medical Department, is the instructor.

Those who have completed the course this year are:
