

Honor Long-Service Employees

Fieldcrest's long-service employees in the Karastan Operation, Eden; the Bedspread Operation, Eden; and the Columbus Towel Mill and Phenix City Plant were honored at 25-Year Club meetings in recent weeks.

Twenty-five Year Club members in the Bedspread Operation and the Karastan Operation enjoyed buffet luncheons served in the mills as the annual get-togethers of the long-service employees were held Thursday, November 6.

Attendance figures showed that the largest crowds on record attended the meetings. Jones W. Norman, area personnel manager, said, "We were pleased with the large turnout and the good fellowship that was enjoyed, particularly by the retired employees."

Special ribbons were worn by the 25-Year Clubbers to indicate whether they were active or retired. Members of mill management greeted the returning retirees.
