To The Editor

November 6, 1975

To The Editor:
Today has been such a lovely day! I had the pleasure of meeting, talking to, having lunch with old and dear friends. The Twenty-Five Year Club, with many members having more than 25 years' service with Fieldcrest Mills, were invited to a luncheon which was most delicious! Fellowship wonderful!

We old retirees — and quite a large number attended — had the pleasure of visiting our mill, where we spent many years (happy ones for me) on the job making rugs at Karastan.

The event is an annual affair, planned and provided by Fieldcrest officials.

I want to say it has been a great pleasure to work for and with this good concern. I appreciate their desire to extend pleasure to their employees, even after retirement.

Thanks and many, many good years ahead for Fieldcrest!

AWPSHAW DEPT.

An electrical contractor has just been hired to wire all the rest rooms on the Cherokee Indian Reservation. This is the first time in history that a contractor ever wired a head for a reservation.

Mom: "Where are you going?"

Son: "Out to play."

Mom: "With those holes in your shoes?"

Son: "No, with the kids across the street."

Karastan Promoted On National TV

Karastan's new television advertising campaign which began on the ABC network News starting September 13 has been expanded to include network telecasts on CBS and NBC.

The commercials feature a new theme for the Karastan brand: "Don't Just Buy Carpet. Invest In Karastan!"

The ad will appear on the NBC Tomorrow Program on November 17 and 18 and on the CBS Morning News

November 18, 20, 21, 24 and 26. It will also appear on the CBS telecast of the Redskins-Vikings game November 30.

The commercial will be used on the CBS Morning News December 1, 3, 4 and 5 and on the CBS Evening News with Walter Cronkite December 3.

Times for the above telecasts are determined by the various television stations. See your local listings for the showings in your area.

Outlying Plants Give Good Response In Fund Drives

Fieldcrest's outlying locations are again showing outstanding support for the United Fund.

The Karastan Worsted and Karastan Spinning Mills have completed their drives with 96 percent of the employees in each plant contributing a Fair Share. The Alexander Sheeting Mill completed its drive with 85 percent Fair Share givers.

At the Foremost Screen Print Plant, 76.4 percent gave or pledged a Fair Share. The Laurelcrest plants at Laurel Hill completed their drive with 73 percent Fair Share givers.

At the Greenville plants, employees' contributions along with the corporate donation amounted to approximately \$10,000. The drives were headed by Wayne Greene, plant superintendent, Karastan Worsted Plant, and Jan Vincent, plant manager, Karastan Spinning Mill.

J. Melvin Moore, vice president-rug spinning operations, congratulated the Karastan employees and the campaign

managers and thanked them for their fine support of the United Fund.

The Alexander Sheeting Mill held its drive one week prior to the official opening of the Rutherford County campaign to challenge and set the pace for other industry in the county with 85 percent of the employees pledging a Fair Share.

All Alexander Sheeting employees who gave a Fair Share participated in a drawing for three Fieldcrest gift certificates.

Winners were Mary Jane Pentz, Weave Department; Delvo Scruggs, Plant Service; and Barry Houser, Canteen.

At the Laurelcrest plants, the amount pledged by Fieldcrest employees was \$13,161 or 13.4 percent of the total Scotland County United Fund goal for 1976. Of the 560 employees, 515 contributed to the drive with 408 giving or pledging a Fair Share.

At the Foremost Screen Print Plant, two departments, the Warehouse and Sample Department, had 100 percent Fair Share givers. A special drawing was held for employees in those departments in addition to the drawing among all Fair Share givers in the plant.

One Year Old

Grandparents are Catherine Brown, a spinner in the Wool Spinning Department at the Blanket Greige Mill; Lee Roy Brown, a loom fixer at the same mill; and Mrs. Ruben Hazlip of Stoneville.

Irate Golfer: "You must be the world's worst caddie!"
Caddie: "Hardly. That would be too much of a coincidence."
