

HARRY R. HYLTON

PERCY C. PHARIS

CALVIN K. WILLARD

Three Complete Long Service

Three employees have been honored by Fieldcrest management in recent weeks on completion of 40 years of continuous service with the company. They are Harry R. Hylton, Blanket Greige Mill; Percy C. Pharis, Blanket Finishing Mill; and Calvin K. Willard, Draper Sheeting Mill.

Each employee has received the Fieldcrest 40-year service emblem, a \$40 gift certificate for company merchandise, and a letter of commendation from William C. Battle, president of Fieldcrest Mills, Inc.

Mr. Hylton began employment on July 21, 1936, as a quill collector in the Weaving Department at the Blanket Greige Mill. Working in that department for all of his 40 years

of service, he became a weaver, his present classification, in 1939.

Mr. Pharis, a dryer tender at the Blanket Finishing Mill, began continuous service July 20, 1936, as a weaver at the old Synthetic Fabrics Mill although he had earlier worked at the old Rhode Island Mill, the Draper Sheeting Mill and the old Synthetic Fabrics Mill.

Working at that mill as a loom fixer and briefly as a weaver until 1957, he then worked for short periods at the Karastan Rug Mill, Bedspread Mill and the old Automatic Blanket Mill until 1961 when he went to the Blanket Finishing Mill as a wet machines dyer and dryer operator in the Beck Dyeing Department. Since that time he

has worked in several production jobs, including dryer tender, his present classification.

Mr. Willard, a section foreman in the Weave Room at the Draper Sheeting Mill, began continuous service on July 22, 1936. He has worked in the Weave Room at that mill for all of his 40 years of service with the company.

During his service, he has worked in various production jobs including loom cleaner, battery filler, weaver, breakdown man and loom fixer. He was an assistant foreman, before being named a shift foreman in 1967. He was appointed a section foreman, his present classification, in 1970.

Receives OHN Certification

Gloria Hilton, RN, of the Fieldcrest Medical Department, has received certification as an occupational health nurse by the American Board for Occupational Health Nurses, Inc.

To be eligible for certification, the board requires five years of experience in occupational health nursing, 45 hours of classwork in management and industrial nursing and satisfactory completion of an eight-hour written examination, offered once each year.

Mrs. Hilton, a graduate of the University of North Carolina at Greensboro, School of Nursing, has been on the staff of the Fieldcrest Medical Department since 1972. A native of Lexington, she had previously worked at Rex Hospital in Raleigh, and as an industrial nurse at Celanese Corporation, Greer, S.C.

The American Board for Occupational Health Nurses is an independent nursing specialty board authorized to certify properly qualified occupational health nurses.

Its functions include the establishment of standards and examinations for professional

GLORIA HILTON

nurse certification occupational health nursing; certification of licensed professional nurses; and maintenance of a roster of holders of certificates granted by the Corporation.

The board also has goals for the elevation and maintenance of the quality of occupational health nursing service, the development of improved educational standards and programs in the field of occupational health nursing; the encouragement of occupational health nurses to continue their professional education; and the means of identifying individuals who meet certification standards.

Service Center Has Display At Bicentennial Festival

Fieldcrest's Northeast Service Center at Piscataway, N. J., recently participated in the Piscataway Expo '76 Bicentennial festival with a display and costumed employees.

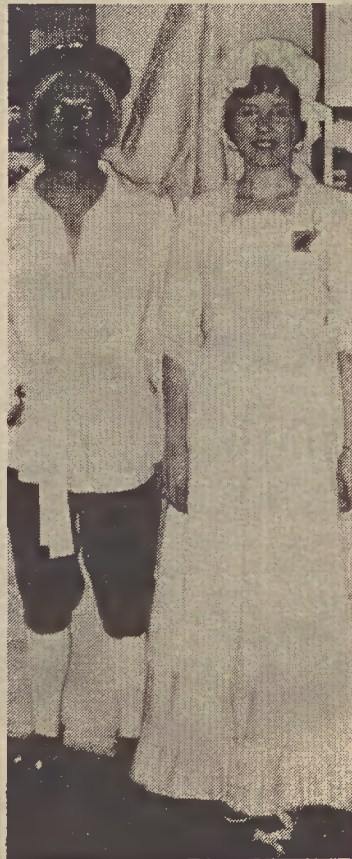

More than 60 displays were featured at the event which was held at the Piscataway High School. It was sponsored jointly by the Bicentennial Commission, the Cultural Arts Commission and the Board of Education.

The Fieldcrest display included a representative grouping of the company's products along with printed material about the company.

In addition to the industrial displays, exhibitors included antique displays, handicrafts, ethnic exhibits, a display of colonial dolls, colonial foods, an historical collage, and an environmental display.
