## Looking For Old Photo

B. F. Craddock, who retired from the Bedsread Mill in 1975 after 40 years of service, is looking for an old photograph.

Mr. Craddock is interested in finding an individual who would have a large photograph of the Older Employees Conference which was held Reidsville in March of 1929.

Anyone who attended the conference or who might have a photograph of those who did, please contact Mr. Craddock at 623-6216.
