BENJAMIN MINTER

Minter Achieves 40-Years' Service

Benjamin Minter, a filter operator at Fieldale Towel Mill, has been honored by management on completion of an outstanding record of 40 years of continuous service. He has received the Fieldcrest 40-year service emblem, a \$40 gift certificate for company merchandise and a letter of commendation from William C. Battle, president of Fieldcrest Mills, Inc.

Starting as a cleaner at the old hosiery mill in 1937, he later was a knitter at that mill. He has held the jobs of learner, cloth hauler, loom cleaner and weaver in the Weave Room at the towel mill.

Oops!

Two areas at the Blanket Finishing Mill were inadvertently omitted from the list of 100 percent Fair Share departments published in the November 8 issue of The Mill Whistle. They were Print Shop and Film Bag Department. The Mill Whistle apologizes for this omission.

Reporters Named For Mill Whistle

Four new Mill Whistle reporters have been recently appointed, three at the Columbus Towel Mill and one at Swift Spinning Mills.

Columbus Towel Mill reporters are Sara W. Sellers, Plant Manager's Office; Joan M. Morgan, Spooling-Office; and Janice J. Bailey, Carding-Office. Collecting news at Swift is Betty S. Wright, quality control technician no. 1.

Employees at these two locations are urged to submit news information and pictures to these reporters.

Suitable material on employees' unusual hobbies, community activities or awards, in-plant events, etc. can be used in The Mill Whistle. Color photographs and Polaroid pictures do not reproduce well, but can be used if necessary. For the "Buy...Sell...Swap" column, no items involving cars, real estate or cemetery lots can be accepted and home telephone numbers must be included, not mill extensions.
