

Scholarships

(Continued From Page One)

year, during February, with the March 1 deadline. Announcement of the awards of the scholarships will be made in April.

The employee (parent) must have at least one year of continuous service as of the date of the application.

The applicant must be planning to attend a four-year college or university full-time and must not have attended college or have any college credits.

The scholarships are awarded on

the basis of high school grades and scholastic aptitude for college work, plus consideration of citizenship and financial need.

The Fieldcrest Foundation awarded 13 scholarships to the children of employees in 1977, making a total of 129 scholarships that have been given since the program was started in 1960.

At present there are 48 sons and daughters of Fieldcrest employees attending colleges and universities with the aid of Fieldcrest Scholarships.
