Lucky Donors Win Prizes In Mill Drawings

Life Savers

Employees at the Draper Sheeting Mill responded overwhelmingly to a call for more blood donations in Eden in 1977. They gave a total of 100 pints of blood, six pints over their quota for the year. Many employees donated more than one pint of blood.

W. O. Vaughn, plant manager, and W. O. "Dink" Blackwell, Blood Drive chairman for the mill, commended all employees who participated in the life-saving cause. "I'm very proud," Vaughn said, "and I hope we can give even more in the future."

In recognition of surpassing the quota, a drawing was held for five

prizes. Each donor's name was eligible in relation to the number of pints given.

Winner of the sheet set was Manx Artis of the Carding and Opening Department. He donated two pints of blood.

Winners of pillowcase sets were: Ronald Pharis, Weaving, (2 pints); George Stroud, Weaving (2 pints); Jeremiah Graves, Picking, (1 pint); and Peyton Cruise, Spinning, (4 pints).
