

New Reporters At Sheeting Mills

Two new reporters for The Mill Whistle have been named at Eden's sheeting mills.

Faye Chrismon, office clerk 2 in Carding and Spinning at Draper Sheeting Mill, replaces Ruth Minter who has retired.

Sadie Cox, office clerk 2 in Sewing at the Sheet Finishing Mill, replaces Brenda May who has transferred to scheduling at Karastan. She will assist Irene Meeks in reporting at Karastan.

Employees are urged to submit news to these new reporters.

Faye Chrismon

Thomas Dillon

Dillon Has 40 Years Of Service

Thomas E. Dillon, an industrial engineer, has been honored by management on the completion of an outstanding record of 40 years of continuous service with the company. He has received a 40-year service emblem, a \$40 gift certificate for company merchandise and a letter of commendation from William C. Battle, president of Fieldcrest Mills, Inc.

Dillon began work in 1938 as a sweeper at Draper Sheeting Mill. He

Moving Up . . .

...DON STEPHENS, to general foreman, Yarn Preparation Department, Bedsread Greige Mill from shift foreman, Weaving, at that mill. He joined the company in 1973.

...RICHARD SMITH, to shift foreman, Dyeing, Laurel Hill Carpet Mill from crew leader fixer, Dyeing at that mill. He has been with Fieldcrest since 1968.

Meador Earns Engineer Honor

Robert Meador

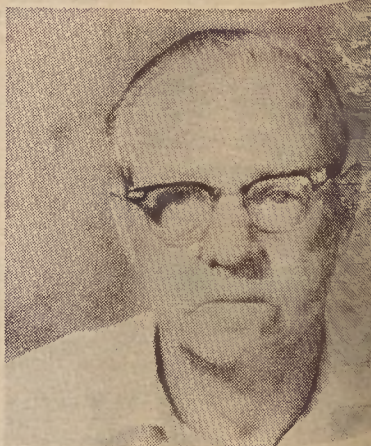

Robert M. Meador, Karastan Mechanical Development, earlier this year passed the examinations to become a Registered Professional Engineer in the State of North Carolina.

The two eight-hour examinations are given by the North Carolina Board of Registration for Engineers and Land Surveyors and a satisfactory score on both, coupled with four years of engineering experience, are necessary for becoming a Registered Professional Engineer.

Meador, a graduate of N. C. State University with a B. S. degree in mechanical engineering, has been employed by Fieldcrest since 1972. He is a member of the American Society of Mechanical Engineers.

later held the jobs of battery filler and harness repairer at that mill and checker at the Blanket Finishing Mill.

In 1943 he became an industrial engineer and then senior industrial engineer prior to being supervisor of Blanket Finishing Industrial Engineering. Presently, he is manager of Industrial Engineering for North Carolina Finishing, Blanket Finishing, Bedsread Finishing and Blanket Warehouse.

Stacy Walser

45 Years Of Service

Stacy Walser, section foreman in Finishing at North Carolina Finishing Company, has completed an outstanding record of 45 years of continuous service with the company.

He began work at NCF in 1933 and has held the jobs of floorman, second hand and foreman at that mill prior to his present position.

Walser has been presented a 45-year service emblem, a \$45 gift certificate for company merchandise and a letter of commendation from William C. Battle, president of Fieldcrest Mills, Inc.
