J. L. MICHAUX, Editor,
W. R. ODELL, Associate,

The paper is now in its second volume, and has a large and growing circulation. At the same time that it is the Official Organ of the N. C. Conference, Methodist Protestant Church, such is its liberality and catholicity of spirit that it is successfully reaching out in all directions and among all denominations of the State, and wherever it has appeared is received with unexceptionable heartiness and approval.

One of the features of the Central Protestant and which is part and parcel of itself is the brevity and spiciness of its articles, on which account the leading newspaper man of the State pronounces it superior to all others.

Those who know him, really concede that there is no appeal from his judgement.

A paper so eagerly sought and so thoroughly read, must also be an excellent

ADVERTISING MEDIUM,

a fact which the prompt and repeated answers to its advertisements abundantly proves. If you want a paper that is readable, lively, entertaining and profitable subscribe for the Central Protestant. If you have an advertisement which you desire should have attentive consideration, insert it in the Central Protestant. Address the editors,
