Darling Santa,

"Oh Daddy, I want a diamond ring, bracelets, and everything," oo, la, la! Since the heads of this institution are through with you, I'd like to represent the mere insignificant subjects of this firm---we, the students!

How 'bout writing us all a letter at least every two hours reminding us that for Christmas you're gonna give to over 300 Montreat gals:

No. 1 A drug store with free sodas milk shakes and oodles of soda jerkers.

No. 2 Over 300 cars to ride round the lake in each night (in the moon-light?)!

No. 3 A new system---everybody on first class---please don't overlook this, Santa Claus, as its of disastrous

importance, ask anyone, everyone, just one!!

No. 4 Lotza A's on those term papers.

No. 5 New permanents before we all get bur pictures made for the Sun Dial!!

No. 6 An army camp stationed in Geneva Hall and the Naval base sailing on the fish pond--Lake Susan!!!

Patiently,

Montreat Gals

P. S. "I guess you'll have to dream the rest, girlies!"
