Anyone Can Play!

Competition, fellowship, and just plain ole fun are the goals this year of the Intramurtal Sports program at MAC under the direction of Ed Isley, Howerton Dorm Resident. If you aren't able to compete on a varsity level, or simply do not have the time for varsity sports, then Intramurals are for you! This year compeition will take place in football, volleyball, basketball, softball, and any other sport that you, a member of the student body, can think of such as tennis, ping pong, chess, etc. Submit any suggestions to Mr. Isley.

RULES:

- 1) Each team will consist of at least eight (8) players from their respective floors. A team cannot play with fewer than eight players.
- 2) The first game of the day will start promptly at 3:00 p.m. If needed, teams will be allowed a 10 minute "grace period" to acquire eight players. The second and third games will immediately follow the previous game. No "grace period" is allowed for these games.
- 3) The game will consist of four 10 minute quarters with a short break at halftime. The clock will run continuously--no time outs.
- 4) On offense, each team must have three (3) ineligible receivers. These players will be denoted by wearing blue flags.
- 5) Three complete passes will result in a first down. A pass must advance the ball to be considered a complete pass.
- 6) Officials will be present and calling the games. Infractions of the rules will result in 5 yard penalties. Any unsportsmanlike conduct will result in a minimum of a ten yard penalty or a maximum of expulsion from the game. Regular football rules will be followed with the addition that arms must be kept next to the body while blocking, and there will be not blocking below the waist.
- 7) Games postponed due to weather will be made up on Friday afternoons starting at 2:00 p.m.

Soccer Season Opens

by David Teague

The MAC soccer club met with defeat in their opening game on October 20. They lost to Davidson College by a score of 6-0.

The loss was due in part to insufficient practicing time, according to club vice-president Randy Shields. "We've got a lot of talent on this team," Randy stated, "but we

haven't had enough time to work together. As the season goes on and we work more together we should get better."

The club is operating under a different structure this year in that it is a club and not a team. The difference is that officers are in charge of seeing that everything goes smoothly.

Officers for this year are sophomores John Basset (President), Eddie Blanchard (Vice President in charge of Finances), and Tom Downs (Vice President in charge of Equipment), and freshman Randy Shields (Vice President in charge of Arrangements). The club is headed by Coach Norm Wilhelmi.

The duties of the president include planning and running practices, making line-up suggestions, leading team warm-up drills, and greeting visiting teams.

The vice-president in charge of finances handles team funds, secures checks and pays officials, and orders checks so that cash will be ready for trips.

The vice-president in charge of equipment makes sure that the equipment gets to and from each game, and sees that uniforms are washed after each game.

The vice-president in charge of arrangements sees to the bus for trips and practice times, checks over and figures out routes to the games, and finds out about meal times, dressing rooms, and away games.

The soccer club has seven games scheduled and the home game will be October 27.

Pisgah Picnic, Fun and Frolics

by Arlene Burn

"Have you ever ran up a road frantically trying to remember the verses to 'Old MacDonald Had A Farm,' or ride a broom down a dirt road screaming 'Hi-Ho-Silver!?' If you were at Camp Little Pisgah on Sunday, September 11, you may well have.

On this noted occasion, the Howerton guys and the McGregor gals all got together for a get-together. After lunch, cars were cramped, and trucks were tipping with over 80 folks heading over to Camp Little Pisgah. The day's activities included softball, volleyball, swimming, canoe races, and the "Banana Biggie!"

Everyone was involved in this

hilarious competition by either eating bananas, or cheering a teammate on. In the canoe races competition was heavy and the canoes were "paddle to paddle" until one met the dreadful fate of hitting a bee post head-on, and another managed to fill with water and sink.

The fully clothed swinning relay races were great, except everyone seemed to be losing their pants, hats, and sweaters!

The day ended with a hamburger picnic and explicit instructions to get to know everyone there. The folks there were really blessed with warm sunshine, good fun, live entertainment, and neat fellowship. All in all the Howerton-McGregor Picnic was a total success!
