Welcome Back!

By BOB GRAHAM
Editor

Welcome Back! It's hard to believe that first semester has come and gone so quickly and second semester is upon us. It is with great pride that I introduce you to the first issue of the "new and improved" *Aletheia*.. The *Aletheia* is YOUR newspaper and we encourage you to support our efforts by getting involved.

As you browse through the following pages, you will discover that the *Aletheia* is not the boring bird cage liner you might expect, but an interesting new source of information

and entertainment. We are going to try to provide you, the reader, with information not only from Montreat, but also from the Black Mountain/Asheville area on what's happening outside of Montreat. Our staffers will actually leave Montreat in quest of information on the outside world (which really does exist). Restaurant reviews, movie reviews, concert updates and discount information are just a few of the features that we will bring to our pages this semester.

We hope that you will thoroughly enjoy this edition of the *Aletheia*, but

there is a catch. To continue to provide you with an entertaining and informative paper; we need YOUR help. We need people who will contribute articles or ideas for articles, drawings, cartoons, letters to the editor, jokes, etcetera. Without your help this source of entertainment and this outlet for your opinions, ideas and information cannot survive. Let's all pull together to keep the *Aletheia* on the stands. Please respond to M-AC Box 152 or contact Bob Graham, room 106 MacGregor Hall, for further information.

Keep in Touch!

Welcome to the new *Aletheia*; your school newspaper. Our only purpose for existence is to serve you the reader. If your

organization is having an event, meeting, contest, or if you would just like to let people know what's going on, let me know and I'll print it for you in the paper. If you know of a business

that would be interested in giving a discount to M-AC students, Let me know that too! We're here to serve and promote your best interests. Keep in touch. Send info to Mark Neil, M-AC Box 462

Yearbook

Update...

By Michelle Thomas

All students who have in their possession incriminating pictures of any seniors, we want them! Any and all pictures of the senior class needed for a special senior section of the yearbook. Please give pictures or preferably negatives to Michelle Thomas or put in the Agape box in the front office, as soon as possible.

The final pages of the

yearbook are currently being worked on. If you have any pictures that you would like to contribute, please contact Marc Duarte. We hope to include each student, but without your help, this will be impossible. Please help make your yearbook the best ever! By the way there's a free dinner for two at Huddle House hidden behind the Coke machine in McGregor Lobby for the first person to get there. Good luck. - The Editor
