

# To ID or Not To ID

**By: Jack Spencer**  
Cafeteria Manager

I would like to welcome all of the new and returning students to Montreat-Anderson College. My name is Jack Spencer and I am the food service director in Howerton Cafeteria. One of my goals this year is to make the cafeteria an enjoyable environment.

One of the areas in which I have heard numerous complaints is that of student ID's. I know that a number of the student body, especially those who have recognizable faces, feel that the ID's are a waste of time. However, the ID cards are our only way of sorting out those

people who have paid for the meal from those who haven't. For every meal that is given out and not paid for, the resident's meal plan goes up in price. Now one or two people a day may not seem like a big issue, but by the end of the year that adds up to about 1500 unpaid meals. That's 1500 meals that come out of your pockets.

One more note until next week besides being a M-AC Cavalier fan I am also a devout SC Gamecock fan. Any other Gamecock fans will be exempt from having to show his/her ID (just kidding). Take care and God bless.
