

Welcome Alumni

By: Shannon Hodgins
Staff Writer

Montreat-Anderson College would like to extend a warm welcome to all our alumni returning to campus. Homecoming '90 is a special weekend for all students, old and present, as we each make memories which will last a lifetime.

Homecoming '90 is an extra-special event, it is also the kickoff celebration for the college's 75th anniversary. The college has planned many exciting activities for the classes of alumni of 1920-1985.

A Square Dance in the barn will kickoff the weekend on Friday, October 5. Exciting activities for the alumni on Saturday will include a continental breakfast, a Belk Fashion Show, special commentary by Maggie Lauterer, (WLOS T.V. - class of '65), a Pig Pickin' and Bar-B-Q,

class reunions and a celebratory luncheon. For the alumni still in shape, there will be a soccer game against the present soccer team. President Vaughn will be hosting a tea in his home in addition to other activities including a G.A.'s reunion, old discovery slides and finally, the Homecoming Dance.

The very tired alumni will be staying in various places on campus including students rooms! I suppose one could say they are returning home in a sense.

Welcome to M-AC! As Helen Dowling of the alumni association says- we are all "excited" about our friends returning for this season. Please welcome the alumni to our campus, as it was once theirs, and undoubtedly will have many questions about the changes through the years.
