

Ten Cent Meal

You may have recently heard around the school about the ten cent shrimp, buffalo (chicken) wings or tacos. And you may even ask yourself where and when this dream may come true. But rest assured it is not a dream and it happens Tuesday through Thursday night from 5 to 7 p.m. at Annabelle's Resturant and Pub.

It is easy to get to Annabelle's, just go Highway 70 to Tunnel Road, go to Asheville mall and through Belk's department store. The atmosphere is quite entertaining with upbeat, modern music, a quite

comfortable seating arrangement, and quick seating. The restaurant is very casual and definitely worth visiting with a bunch of friends.

Annabelle's has a great variety of food to choose from. They have the usual fried cheese appetizers and burgers. You may want a big meal such as the Fajita Grande, which includes spicy beef or chicken with onions on a sizzling skillet including flour tortillas and the WORKS (Boy! it was good). Or, if that isn't your cup of tea, then you may want the BBQ ribs, sub sandwiches, teriyaki chicken or a great big chef

salad. No matter what your taste buds are calling for, Annabelle's has pretty much everything to offer. The food isn't that expensive for the amount of food you get.

As far as the incredible ten-cent meal, have your appetite ready. On Tuesday, Annabelle's serves jumbo shrimp for only ten cents a piece. These are quite palitable but it's better to wait until Thursday night. On Wednesday, it's buffalo (chicken) wings and for only ten-cents-a-wing you can pick either the rather mild or rather hot wings. And, finally, Thursday night- is TACO NIGHT. And yes, for only, well, I guess you know how much, you get a piping-hot taco and then make

your own little toppings (A definite cure for the cafeteria blues). As Kevin Cruse said while serving his first round of four tacos (\$.40), "A ten cent taco is a great, cost-efficient deal, and should be held more often."

I encourage all Montreat students to try Annabelle's at least once. "I go to Annabelle's at least twice a week and I just don't know what I would do without the extra food," Trish Clark said as she stuffed her face after her third taco. If you like shrimp, wings, or a great taco, try Annabelle's for a great meal. Drop in any time and try the very filling entres, and see if you can beat 28 buffalo wings!
