

## CAVALIER SPORTS

## BUILDING VOLLEYBALL CONFIDENCE

by Anita Bumgarner

The Lady Cavalier's volleyball team continues to show vast improvement this year, as they have been very competitive in all of their matches so far. On Wednesday, September 18th, the Lady Cavs competed in a tri-match with Tusculum College and Lees McRae College. Our ladies showed a great team effort against Tusculum with excellent hustle and a never say die attitude. Becky Brown was cited as having an outstanding defensive game, and Heather Jamerson had an excellent offensive game

with some great blocking efforts. After an all out effort against Tusculum the ladies were a little tired against Lees McRae, but a good effort was still put forth. Our girls will face Lees McRae once again in Banner Elk and this time a decisive victory against them is the goal.

On September 21st, our Lady Cavaliers defeated Tomlinson Bible for the second time this season with set scores of 15-2, 15-3, and 16-14. Coach Carol Fox commented that "It was a good game for us in that we

could relax and work on some aspects of our game that we had been having trouble with. It was a good playing experience for the younger players, and it will help to build their confidence."

Our volleyball team has the opportunity to have their best record in the past six years, as their record as of 9/23 stands at 4-4. As the season continues on, experience should bring more victories to these dedicated ladies.

Coach Fox sends out the word to all you volleyball fans that she and her

team appreciate the great fan support at all of the home games. This show of school spirit is very encouraging to the team, and we look to see those bleachers packed in the upcoming games! Keep up the good work ladies!

## EDITORIAL

## A NOTE FROM THE EDITOR

by Paulette Mixon

It is Homecoming time again, and many old M-AC students will soon be arriving. They will come with the memories of their college days at Montreat, memories of friends and fun times. They will come to relive what we are living now. Homecoming time makes me wonder about the future, and the Homecoming when I will be a visitor to my old home. I am sure I will miss the late night study sessions at Huddle House, hanging out in Belk, talking until 3 a.m. with my friends, and the many, many, other great past times here at Montreat.

This year, Homecoming will be even more

thrilling than it has been in the past. Not only are the events to be exciting, but the student body has shown themselves to be remarkably involved this year. There have been overwhelming turnouts at S.G.A. Legislative meetings, sports, and student activities such as, Mount Mitchell Day, the dances, and the Lookout campfire. I foresee the 1991-1992 year at Montreat-Anderson College to be an explosion, blowing away all previous years. So, let us welcome our alumni and help them not only to relive old memories, but to make new memories this Homecoming weekend.
